

## Player Development Fall/Winter 2018-2019

### Orange/Green/Yellow Ball

**Orange** and **Green** Levels of students may range from beginner to intermediate. The foundation will focus on the ABCs of tennis: Agility, Balance, and Coordination along with technique, movement, scoring and court sense. Stroke production and introductory tactical play follows. This is the pathway to the high-performance group, tournament play, high school or adult recreational play.

**Green** ball competitive players will continue to build the basic skills needed to become a successful tennis player. Players will be educated in proper tennis etiquette, build character qualities, and broaden their tennis knowledge and understanding. The green ball pathway will incorporate dynamic movement, technical instruction, point play, challenging games, and match play fundamentals to gain knowledge, skills, and confidence to move onto yellow ball with constant evaluation. Green ball players may play up in U12 yellow ball tournaments and are encouraged to participate in match play and green ball tournaments.

Yellow ball competitive players will continue to build their player identity and prepare for competitive play. Players have demonstrated character qualities in previous levels and are continuing to hone their skills to be consistent in competitive play, along with learning mental toughness skills.

**HIGH PERFORMANCE IS BY INVITATION ONLY STARTING 11/2/2018.**

**PLEASE CONTACT COACH BILL.**

**Dates and Time: Monday - Thursday 4:30-6:00**
